SECOND INTERIM APPLICATION OF THE CLARO GROUP, LLC AS
ENVIRONMENTAL MANAGEMENT CONSULTANTS TO THE DEBTORS
FOR ALLOWANCE OF COMPENSATION AND REIMBURSEMENT OF
EXPENSES FOR THE PERIOD OCTOBER 1, 2009 THROUGH JANUARY 31, 2010

The Claro Group, LLC ("Claro") respectfully files this Second Interim Application for Allowance of Compensation and Reimbursement of Expenses (the "Fee Application") of Claro as Environmental Management Consultants to Motors Liquidation Company (f/k/a General Motors Corporation) ("GM") and its affiliated debtors, as debtors in possession (collectively, the "Debtors"), for the period from October 1, 2009 through January 31, 2010 (the "Second Interim Period"). This Fee Application is filed pursuant to §§ 328(a), 330(a) and 331 of Title 11 of the United States Code (the "Bankruptcy Code"), Rule 2016(a) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") and the Local Rules and Orders of this Court. In support of the Application, Claro states:

# JURISDICTION AND VENUE

- 1. On or about August 7, 2009, the Court signed an Order Pursuant to 11 U.S.C. §§ 105(a) and 331 Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals (the "Compensation Procedures Order") (Docket #3711). The Compensation Procedures Order states, *inter alia*,
  - "Commencing with the period ending September 30, 2009, and at four month intervals thereafter (the "Interim Fee Period"), each of the retained professionals as set forth in paragraphs 3 and 4 herein (the "Retained Professionals") shall file with the Court an application (an "Interim Fee Application") for interim Court approval and allowance, pursuant to sections 330 and 331 of the Bankruptcy Code (as the case may be) of the compensation and reimbursement of expenses requested in the Monthly Statements served during such Interim Fee Period. Each Retained Professional shall file its Interim Fee Application no later than 45 days after the end of the Interim Fee Period." [Emphasis in original.]
- 2. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue of the Debtors' Chapter 11 cases and this Fee Application in this District is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

#### BACKGROUND

- 3. On June 1, 2009 (the "Petition Date"), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors continue to operate their businesses and manage their properties as debtors-in-possession pursuant to sections 1107 and 1108 of the Bankruptcy Code.
- 4. On or about July 21, 2009, the Debtors filed an application (the "Retention Application") pursuant to 11 U.S.C. §§ 327(a) and 328(a) and Fed. R. Bankr. P. 2014 authorizing the retention and employment of Claro as an environmental management consulting services

provider in connection with these chapter 11 cases, to assist the Debtors in determining the costs of actual and/or potential environmental liabilities arising from the Debtors' prepetition, historic operations. The Debtors sought to employ and retain Claro pursuant to the terms of the agreement between the Debtors and Claro dated and effective as of June 10, 2009 (the "Engagement Letter"). More specifically, Claro has been retained by the Debtors for its environmental management consulting expertise.

5. On or about August 3, the Court entered an Order authorizing the Debtors to retain and employ Claro *nunc pro tunc* to the Petition Date.

## **COMPENSATION REQUESTED**

- 6. By this Fee Application and in accordance with §§ 328, 330 and 331 of the Bankruptcy Code, Claro request allowance of fees in the amount of \$652,010.50, and ordinary and necessary expenses in the amount of \$9,138.41, for a total amount \$661,148.91.
- 7. Pursuant to the Compensation Procedures Order, all professionals retained in these cases are authorized to seek, on a monthly basis, compensation for professional services rendered and reimbursement of expenses incurred. In the absence of any objection to the monthly statement of fees and expenses incurred (the "Monthly Statements"), the Debtors can pay 80% of the professional fees requested and 100% of the expenses incurred. A tabulation of fees and expenses incurred, as well as payments received by Claro, for Monthly Statements to date is as follows:

|                     |              |              |              | 80% of Fees  |              |              |

- 8. During the Second Interim Period, Claro has sought \$652,010.50, in professional fees and \$9,138.41 for expenses, of which \$452,433.60 in fees and \$5,995.92 in expenses, respectively, has been paid to date by the Debtors in accordance with the Compensation Procedures Order. As of the date of this Fee Application and excluding amounts unpaid under the First Fee Application, Claro is owed \$199,576.90 for professional fees and \$3,142.49 for expenses incurred, which amounts have not yet been paid by the Debtors.
- 9. Claro has received no payment and no promises of payment from any other source for services rendered or to be rendered in any capacity whatsoever in connection with the matters covered by this Fee Application.
- 10. There is no agreement or understanding between Claro and any other person for the sharing of compensation to be received for services rendered in this case.
- Claro submits that this Fee Application complies with sections 330 and 503(b)(l)(A) of Chapter 11 of Title 11 of the Bankruptcy Code, Rule 2016 of the Bankruptcy Rules, the Amended Guidelines for Fees and Expenses for Professionals in Southern District of New York Bankruptcy Cases adopted by the Court on April 19, 1995 (the "Local Guidelines") and the United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330, adopted on January 30, 1996 (the "UST Guidelines" collectively with the Local Guidelines, the "Guidelines").

### SUMMARY OF SERVICES PROVIDED

- during the Second Interim Period, along with the titles, and a summary of hours charged for the professionals whose services are being billed in connection with this case. Attached as **Exhibit B** is a summary of hours incurred for each category of work performed by Claro. Attached as **Exhibit C** is a summary of actual out-of-pocket expenses incurred during the Second Interim Period for each category of expenses. Attached as **Exhibit D** are the detailed time entries during the Second Interim Period, for each category of work performed by Claro. Attached as **Exhibit E** is the certification of Douglas H. Deems with respect to the Fee Application pursuant to the Local Guidelines.
- In accordance with the Retention Application and the Engagement Letter, the following is a detailed description of the major tasks performed during the Second Interim

  Period. These tasks, and the related hours incurred, are separated into the following matters:

  Site-level Decision Tree/Cost Analysis (Task 1--1,355.70 hours)
- 14. During the Second Interim Period, Claro provided assistance to the Debtors in estimating potential remediation costs associated with 6 major sites utilizing decision-trees and other probabilistic analyses as appropriate. To perform this analysis, Claro worked with MLC and other consultants to MLC (primarily Arcadis) to help develop the structure, probability and magnitude of estimates used as the bases for the decision-tree analyses. These analyses are updated based on development of new information from time to time.

### Portfolio-level Cost Analysis (Task 2--133.85 hours)

15. During the Second Interim Period, Claro provided assistance to the Debtors in developing an analysis of portfolio-level costs for the sites in the MLC portfolio that were not

subject to detailed decision-tree analysis. This analysis is updated based on development of new information from time to time.

### Discounted Cash Flow Analysis (Task 3--218.50 hours)

During the Second Interim Period, Claro provided assistance to the Debtors in providing analysis of discount rates, inflation rates and application of those rates to cash flows associated with the remediation sites for the purpose of calculating present values and inflated cash flows, as appropriate.

### Insurance Analysis and Presentation to Insurance Markets (Task 4--132.40 hours)

17. During the Second Interim Period, Claro provided assistance to the Debtors in providing analysis and presentations to certain insurance markets utilizing the decision tree and portfolio analysis, adapted as appropriate, for the purposes of seeking underwriting of remediation and other risks by certain insurance markets.

### Presentations and Communications to Stakeholders (Task 5--163.90 hours)

18. During the Second Interim Period, Claro provided assistance to the Debtors in leading and/or participating in meetings with various parties, including various environmental Regulators and their representatives, Creditors and their representatives and Debtors and Debtors' other consultants, for the purpose of discussing decision-tree analyses and portfolio analyses as appropriate.

## Steering Committee and Project Management (Task 6--88.60 hours)

19. During the Second Interim Period, Claro provided assistance to the Debtors in working with Debtors' other consultants to plan and respond to project requirements, including development of decision-tree analyses, portfolio analyses and other analyses as appropriate.

# Fee Application and Other Job Administration (Task 7--26.80 hours)

- 20. During the Second Interim Period, in connection with Claro's retention by the Debtors, Claro prepared the First Fee Application and supporting exhibits and declaration. Claro has also provided monthly budgets as requested by the Fee Examiner and has prepared and submitted its invoices in compliance with guidelines as required by the U.S. Trustee.
- 21. The work performed by Claro was not duplicative of any other retained professional. The work of Claro in this bankruptcy estate is continuing and not complete.
- Claro submits that the foregoing services were necessary to the administration of this Chapter 11 case, were necessary and beneficial to the Debtors' estates at the time such services were rendered, and were performed without unnecessary duplication of effort or expense. Claro's request for compensation of the foregoing services is reflective of a reasonable and appropriate amount of time expended in performing such services commensurate with the complexity, importance and nature of the problem, issue and task involved.

# **NOTICE**

23. Notice of this Fee Application will be provided by counsel for the Debtors pursuant to the Compensation Procedures Order

WHEREFORE, Claro respectfully request that this Court enter an order: (i) allowing Claro's request for compensation in the sum of \$652,010.50 for actual, reasonable and necessary professional services rendered as environmental consultants to the Debtors during the Compensation Period; (ii) directing the Debtors to pay to Claro the full amount of such compensation to the extent not already paid; and (iii) directing the Debtors to reimburse Claro in the amount of \$9,138.41 for actual, reasonable and necessary expenses incurred during the Compensation Period, to the extent not already reimbursed.

### CERTIFICATION OF DOUGLAS H. DEEMS

# I, Douglas H. Deems certify as follows:

1. I am a Managing Director of The Claro Group, LLC ("Claro"). I submit this certification with respect to the Second Interim Application (the "Fee Application") of Claro, environmental management consultants to Motors Liquidation Company (f/k/a General Motors Corporation) ("GM") and its affiliated debtors, as debtors in possession (collectively, the "Debtors"), for allowance of compensation for professional services rendered and reimbursement of actual and necessary expenses incurred for the period October 1, 2009 through January 31, 2010.

- 2. I make this certification in accordance with General Order M-151, Amended Guidelines for Fees and Disbursements for Professionals in the Southern District of New York Bankruptcy Cases, adopted by the United States Bankruptcy Court for the Southern District of New York on April 19, 1995 (the "Local Guidelines"). In connection therewith, I hereby certify that:
  - a. I have read the Fee Application;
- b. to the best of my knowledge, information, and belief formed after reasonable inquiry, the fees and disbursements sought in the Fee Application fall within the Local Guidelines and the UST Guidelines;
- c. the fees and disbursements sought are charged in accordance with practices customarily employed by Claro and generally accepted by Claro's clients; and
- d. in providing a reimbursable service and other than in connection with two independent contractors who have charged time on this matter, <sup>1</sup> Claro does not make a profit on that service, whether the service is performed by Claro in-house or through a third party.
- 3. As required by Section B. 2 of the Local Guidelines, I certify that all of Claro's Monthly Statements were sent to (i) the Debtors; (ii) counsel for the Debtors; (iii) counsel to the Creditors' Committee; and (iv) Office of the United States Trustee for the Southern District of New York.
- 4. As required by Section B. 3 of the Local Guidelines, I certify that (i) the Debtors; (ii) counsel for the Debtors; (iii) counsel to the Creditors' Committee; and (iv) Office of the United States Trustee for the Southern District of New York will each be provided with a copy

<sup>&</sup>lt;sup>1</sup> In connection with a portion of the services described in this Fee Application and consistent with Claro's standard practices, Claro is charging a mark up on two independent contractors who have charged time on this engagement (only one of whom has a material, ongoing role).
